Over the last eight months, *Texas Tech Law Review* Staff Members—with the help and guidance of our Student Writing Editor, Brannen Caraway, our Comment Editors, the Tech Law faculty and staff, and the Academic Legal Writing program—worked tirelessly to develop twenty-eight outstanding student comments. The opportunity to create, develop, and ultimately contribute to legal scholarship as a student is a tremendous and meaningful experience, and with two issues dedicated to student comments, our Staff Members serve a fundamental role in the *Law Review*'s purpose. It goes without saying that the *Law Review* is extremely proud of *every* Staff Member for their hard work and dedication.

On behalf of the *Law Review* and Volume 55's Board of Editors, I am pleased to announce the following Staff Members who were selected for internal publication. Please join me in congratulating these individuals for their outstanding accomplishments!
